Notes:

The Department requires FQHCs to contract with local Mental Health service (MH) providers that are paid a capitation rate by DHCF to avoid duplicate payments. FQHC MH charges are billed to MH providers which reimburse FQHCs on the basis of the MH provider fee schedule.

For FQHCs servicing MCOs and capitated MH organizations, the Department annually determines and settles the difference between FQHC encounter rate and the MCO, MH, and third party liability reimbursement.
